

# EMLG-JMLG Meeting 2009

## Intermolecular Interactions and Liquid Structure

<http://www.events.sbg.ac.at/emlg2009/>

**Sunday 6th – Thursday 10th September 2009**  
**Salzburg, Austria**

The EMLG/JMLG annual meeting 2009 is aimed to present the most recent progress in experiment, theory and simulation of molecular liquid systems in order to understand the liquid structure resulting from intermolecular interactions between the constituents of the system in all achievable thermodynamic states, including supercritical conditions.

The European Molecular Liquids Group EMLG and the Japanese Molecular Liquids Group JMLG are interdisciplinary groups covering the molecular aspects of fluids in Physics, Chemistry and Biology. The European group was founded in 1982 and was joined by the Japanese group in 1996.

**EMLG:** <http://www.chemie.uni-rostock.de/pci/ludwig/emlg/>

**JMLG:** <http://solnchem.jp/>

Annual meetings have been organized since 1982 in different countries with varying focus in order to cooperate internationally and to coordinate activities in this field. Traditionally, a special issue of the Journal of Molecular Liquids covers the scientific contributions to the meetings.

## **Scientific Advisory Committee:**

- Prof. Philippe Bopp, University of Bordeaux, France
- Prof. Richard Buchner, University of Regensburg, Germany
- Prof. Vladimir Durov, Moscow University, Russia
- Prof. Maria Grazia Giorgini, University of Bologna
- Prof. Ralf Ludwig, University Rostock, Germany
- Prof. Gabor Pálincás, Hungarian Academy of Sciences, Hungary
- Prof. Harald Posch, University of Vienna, Austria
- Prof. Hajime Torii, Shizuoka University, Japan
- Prof. Renzo Vallauri, University of Trento, Italy
- Prof. Emmerich Wilhelm, University of Vienna, Austria
- Prof. Toshio Yamaguchi, Fukuoka University, Japan

## **Local Organizing Committee:**

- Prof. Maurizio Musso, Prof. Augustinus Asenbaum
- Prof. Michael Probst (Univ. Innsbruck)
- Dr. Paolo Sereni, Dr. Günter Moser and Dr. Christian Pruner
- Claudia Heissl and Cosima Theisen (secretary)
- Dr. Wilhelm Heidegger (web-site)

The scientific program will consist of:

**plenary lectures (50 minutes, including discussion):**

Prof. Francesco Aliotta, IPCF-CNR Messina, Italy

<http://www.ipcf.cnr.it>

Prof. Edward W. Castner Jr., Rutgers, The State University of New Jersey, USA

**oral communications (20 minutes, including discussion)**, selected from submitted abstracts, and

**contributed posters**, presented in poster sessions.

A **Young Scientists Session** on short (15 minutes) oral communications based on selected submitted abstracts and selected posters of doctoral students has been scheduled in the programme of the meeting.

## Deadlines

Early registration and abstract: **31st May 2009**

Notification of acceptance of oral presentation: 15th June 2009

Notification of acceptance of poster presentation: with complete registration

Preliminary program: 1st July 2009

Final program: 1st August 2009

## Meeting Registration

Pre-registration should be made prior to May 31, 2009 by submission of the registration form to the conference secretariat by fax or email. For payment details see the EMLG/JMLG 2009 registration form in <http://www.events.sbg.ac.at/emlg2009/> .

Please note that your registration is not complete unless meeting fee is paid in full:

	before 31st May 2009	after 31st May 2009
EMLG/JMLG members	Euro 420	Euro 500
EMLG/JMLG non-members	Euro 450	Euro 540
Retired EMLG/JMLG members	Euro 350	Euro 420
Students	Euro 280	Euro 340
Accompanying persons	Euro 80	Euro 100
