Second Circular

By this, we want to remind you about the annual EMLG-JMLG Conference to be held at University of Lille 1 between 9 and 13 September 2013. The theme of the conference is intended to encourage participants to present the most recent experimental methods, theoretical approaches and simulations leading to better understanding of the structure and dynamics in the following areas :

- Liquids and solutions at normal and supercritical fluids
- Ionic liquids and their mixtures
- Clathrate hydrates formation from liquid water or ionic liquid phases
- Supercooled liquids and glassy systems
- Biological systems

Important Dates

- Abstract submission: **extended to 10 June**
- Confirmation of acceptance: **extended to 25 June**
- Registration with discount: **extended to 10 June**
- Program: **15 August**
